the fact that the *Journal of Applied Behavior Analysis* is the most widely read journal in the field of behavior analysis.

It is my hope that this book will be useful to you in your current or future work. I would like to thank the following people for their help in the preparation of this book: my wife, Susan; my children, David and Elizabeth; and my colleagues at the University of North Carolina at Charlotte.

Finally, I would like to thank the publisher, John Wiley & Sons, for their interest in this book and for their excellent customer service.
